

Erland Construction Named Accredited Quality Contractor by ABC

Burlington, Massachusetts –

Erland Construction of Burlington, Mass. announced that its status as an Accredited Quality Contractor (AQC) has been renewed by the Associated Builders and Contractors (ABC). Recognized as one of the leading organization's representing the country's merit shop construction industry, ABC's AQC program identifies construction firms that have achieved a level of excellence in their organizational structure and business operations.

"We're extremely dedicated to conducting high quality work and implementing top-notch safety standards on all of our job sites, as well as offering an environment where our employees

can grow in their careers," said Steve McDonald, President, Erland Construction. "It's an honor to not only be recognized by the Associated Builders and Contractors for our work and the training we provide our employees, but also for our commitment to our clients and community."

Launched in 1993, ABC's AQC program provides recognition to world-class construction firms that have documented their commitment in five areas of corporate responsibility:

- Quality
- Safety (ABC Safety Training Evaluation Process (STEP) Gold, Platinum or Diamond level required)
- Employee benefits
- Training
- Community relations and diversity

"Associated Builders and Contractors is pleased to honor Erland with Accredited Quality Contractor status for its commitment to excellence in construction, its workforce and the communities it helps build," said 2018 ABC National Chair George R. Nash Jr., director of preconstruction at Branch & Associates, Herndon, Va. "Erland earned this recognition for world-class safety performance, a strong record of investment in a talented and well-trained workforce, diversity leadership and community service."

In achieving AQC status, each member company takes the following pledge:

As an Accredited Quality Contractor, our company is committed to providing our clients with the highest quality construction services and we care deeply about our employees and the communities in which we build. We are proud to be part of the construction industry and are dedicated to the principle of free enterprise. We commit ourselves to serve our communities and to provide our employees with the skills they need to work safely and productively in order to meet the needs of our clients.

AQC is recognized by Construction Users Roundtable, an organization founded by leading construction project owners.
