Erland Announces Eric Greene as New Residential Group Manager

Burlington, Massachusetts –

Erland Construction has named Eric Greene, Partner and Vice President, as Manager of the company's Residential Group. Under Greene's leadership of the Residential Group, he will oversee the Multi-Family Housing, Hospitality and Senior Living markets. Greene joined Erland in 2008 and successfully led the company's expansion into Connecticut from square one to a portfolio of complex, projects up to \$70 million in value and has also championed the re-entrance into the Senior Living market.

"From the very beginning, Eric hit the ground running and hasn't stopped. We are looking forward to seeing his leadership skills reflected in his new role," said Steve McDonald, President, Erland. "We wish Eric continued success and are proud that he's part of our team."

In its 40th year, Erland Construction is the Northeast's leading open shop construction management and general contracting firm. The Company is headquartered in Burlington, Massachusetts and has specialized expertise for new construction, additions, and renovations in major market sectors including residential, hospitality, senior living, academic, advanced technology and life sciences, office, commercial, and healthcare.
