Burlington, Massachusetts –

Erland Construction is proud to receive an Eagle Award from the Massachusetts Chapter of Associated Builders and Contractors (ABC MA) for building the Snyder Center at Phillips Academy in Andover, Mass.

ABC's Eagle Award represents the pinnacle of achievement, recognizing Erland for its work on the 98,800-square-foot LEED Platinum Snyder Center. Designed by Perkins + Will, the state-of-the-art athletic complex includes a 200-meter indoor track, four multi-use tennis and basketball courts, a 12-court squash center capable of US Squash tournament play along with a range of spaces dedicated to athletic training, coaching and wellness. The award signifies the overall excellence in project execution, craftsmanship, safety, and innovation as well as client satisfaction.

ABC MA presented Erland the award at its annual event, which was held at the Westin Waltham Hotel. Erland team members were a part of more than 250 ABC members who gathered to celebrate the best construction projects of 2018. The Massachusetts Chapter of Associated Builders and Contractors is the largest construction trade association in the Commonwealth, representing some 430-local general contractors, subcontractors, and suppliers who employ more than 20,000 workers throughout Massachusetts.

Over the past 41 years, Erland Construction has successfully grown into the Northeast's leading open shop construction management and general contracting firm. The Company is headquartered in Burlington, Massachusetts and has specialized expertise for new construction and renovations in major market sectors including advanced technology/life sciences, academic, corporate, commercial, residential, senior living and hospitality.
